

Busy Months for Volunteers

Another happy Japanese volunteer group, enhancing Barron wildlife corridors. The trees enjoyed the 30mm of rain we had shortly after planting

Native Swamp Orchids Now Flowering

Kuranda Envirocare has permission to propagate and sell this orchid, endangered in the wild. So spectacular at 1.5m high, with multiple stems and flowering over a month in August and September. Don't mind wet feet, love the shade. Come and check them out.

KURANDA YCA COMMUNITY TASKFORCE

Winner of the T-shirt Design Competition

Kali Harriss with her winning logo and T-shirt designs displayed at the BonANTsa Celebration event for public voting.

The Yellow Crazy Ant T-shirt Design Competition 2019 has now concluded and the winning designs have been chosen by our panel of judges and the public.

I'd like to say a HUGE THANK YOU to our major sponsor Kuranda Envirocare and our major prize contributor Wildlife TNQ for wildlife passes to Hartley's Crocodile Adventures, Kuranda Koala Gardens and Bird World. I'd also like to recognise and thank our contributing community members for supporting the competition through prize contributions; Rare Earth Oils, Steve Royster Art and Catherine Jacoby Art.

The judges were pleasantly surprised by the quality and quantity we received in the entries. Overall there were 20 adult logo and design entries and 45 junior logo and design entries. Our judges had a difficult time picking the best within each category which resulted in instances of having to pick multiple designs for a category. But finally, here are the categories and winners for the YCA T-shirt Design Competition 2019.
